**J. Robert Miller, Commissioner
Kentucky Department of Agriculture**

Welcome to the 1971 Kentucky National Shorthorn Show and Sale

The Kentucky Department of Agriculture is happy to join the Kentucky Shorthorn and Polled Shorthorn Association in the sponsorship of this outstanding purebred show and sale.

We are pleased that the cooperation of breeders has enabled us to offer a consignment of animals capable of maintaining the high standards of excellence for which our Kentucky Nationals are noted.

As you may know, the Kentucky General Assembly established this program within the Commonwealth of Kentucky after recognizing the need for added promotion of purebred livestock. Consignment sales enable breeders to advertise the results of outstanding practices in their herds, such as performance records, show honors, and classification or rating scores. One animal consigned to a show and sale with the prestige of the Kentucky National can do more to publicize a herd than a number of other promotional activities often conducted.

Naturally, we hope that the Kentucky National program will contribute to the advancement of Kentucky's rich heritage as a center of quality livestock and progressive breeders. At the same time, we want this to be a cooperative effort through which the entire industry is advanced.

On behalf of the Kentucky Department of Agriculture, I extend appreciation to each of this year's consignors. To all of you, we extend a most cordial welcome to The Bluegrass State and trust that you will find your visit to the Kentucky National Shorthorn Show and Sale both profitable and enjoyable.

Sincerely,

**J. ROBERT MILLER, Commissioner
Kentucky Department of Agriculture**
